Long Beach

Wind and waterproof sailing jacket with mesh lining to improve breathe ability. Front pockets are water-locked and fleece lined, bottom sleeves are adjustable with Velcro and have hidden cuffs with neoprene. The jacket has pre-curved sleeves, reflexes and waterproof zippers. Bottom hem and waist have elastic drawstrings with endings, inside front pockets to avoid hanging straps. There is also a "stay in place" strap to keep the jacket in place during physical activities. Backside of the jacket is reinforced and longer than front. The jacket comes with two separate hoods, one fluorescent and one navy, both adjustable in size. • Outer: 100% nylon with PU-coated inside
• Lining: 100% polyester • 600 navy • XS-XXXL

Monsoon

Breathable Shell Jacket with Finetex Coating. Taped seams. Fleece on inside collar with reflective edge. Detachable hood. Elastic drawstrings at hood, waist and hem. Four front pockets, the outer pockets lined with brushed polyester. Three inner pockets, of which one can be accessed without opening the jacket. Jacket is breathable and wind and waterproof. The lining can be opened to make printing and embroidery easier. Outer: 100% nylon. Lining: 100% nylon mesh at the back, 100% polyester at the front and in the sleeves. Colours: Blue (black), Black (black). Sizes: XS-XXXL

The inherent link between corporate identity clothing and team spirit is the key to James Harvest Sportswear's commitment to sailing. Sailing is a team sport and thus the aim of uniform clothing is to support the crew by highlighting its strength, potential and nature.
